

**Transformers Product List**  
**List Current as of October 26, 2004**

| Manufacturer Name                           | Brand Name                         | Model Number | Product Notes |
|---------------------------------------------|------------------------------------|--------------|---------------|
| ACME Electric Corporation, Transformer Div. | Opti-Misur                         | ME/MC -150   |               |
| ACME Electric Corporation, Transformer Div. | Opti-Misur                         | ME/MC-100    |               |
| ACME Electric Corporation, Transformer Div. | Opti-Misur                         | ME/MC-112.5  |               |
| ACME Electric Corporation, Transformer Div. | Opti-Misur                         | ME/MC-167    |               |
| ACME Electric Corporation, Transformer Div. | Opti-Misur                         | ME/MC-225    |               |
| ACME Electric Corporation, Transformer Div. | Opti-Misur                         | ME/MC-30     |               |
| ACME Electric Corporation, Transformer Div. | Opti-Misur                         | ME/MC-300    |               |
| ACME Electric Corporation, Transformer Div. | Opti-Misur                         | ME/MC-37.5   |               |
| ACME Electric Corporation, Transformer Div. | Opti-Misur                         | ME/MC-45     |               |
| ACME Electric Corporation, Transformer Div. | Opti-Misur                         | ME/MC-50     |               |
| ACME Electric Corporation, Transformer Div. | Opti-Misur                         | ME/MC-500    |               |
| ACME Electric Corporation, Transformer Div. | Opti-Misur                         | ME/MC-75     |               |
| ACME Electric Corporation, Transformer Div. | Opti-Misur                         | ME/MC-75     |               |
| ACME Electric Corporation, Transformer Div. | Opti-Misur                         | ME/MC-750    |               |
| American Electric Components                | American Electric Components, Inc. | E1000TD3     |               |
| American Electric Components                | American Electric Components, Inc. | E100SD3      |               |
| American Electric Components                | American Electric Components, Inc. | E112TD3      |               |
| American Electric Components                | American Electric Components, Inc. | E150TD3      |               |
| American Electric Components                | American Electric Components, Inc. | E15SD3       |               |
| American Electric Components                | American Electric Components, Inc. | E167SD3      |               |
| American Electric Components                | American Electric Components, Inc. | E225TD3      |               |
| American Electric Components                | American Electric Components, Inc. | E250SD3      |               |
